The submittal should be to Ms. Rapicavoli. She's our acting Manager probably through July.

There's also a typo in the address Drinking Water Protection Services should be Section. You have the right mail code.

The Section name will change to Ground Water

Dan, Thanks. You can send them to Emmanuelle and me instead of David Albright.  
Cheers, Nancy

Mr. Albright,

Attached is the completed temperature decay logs and radioactive logs at the Production Test Facility injection wells in support of Part II Mechanical Integrity Demonstration. Two hard copies have been sent to your office. If you have any questions, please do hesitate to contact me at (520) 374-3984, ext. 3710.

Best Regards,
